## ***Fate of the Nation: Scenarios for South Africa's Future***

This groundbreaking book explores the future of South Africa by testing possible scenarios. Author Jakkie Cilliers argues that much will depend on the state of leadership in the African National Congress and the party's national conference in December 2017. The winner of the struggle between what he deems "traditionalists" and "reformers" will have definitive consequences on the leadership of a country currently plagued by uncertainty and underperformance.

*Fate of the Nation* presents the impact of each scenario in terms of economics, crime/social unrest and impact upon South Africa's international standing to 2034. A concluding chapter presents a comprehensive set of recommendations that place employment creation at the center of pro-growth policies.

### **Speakers:**

**Dr. Jakkie Cilliers:** Chairman of the Board and Head of African Futures & Innovation at the Institute for Security Studies (ISS). He is also an Extraordinary Professor in the Centre for Human Rights and the Department of Political Sciences, Faculty of Humanities at the University of Pretoria.

**Prince Mashele:** A political commentator on South African politics and a Senior Research Fellow at the Centre for the Study of Governance Innovation (Govinn), University of Pretoria.

**Date:** Wednesday, 16 August 2017  
**Time:** 10:00 – 12:00 (*coffee/tea and light snacks to follow*)
